**7.1. Policy Review**

**7.1.1. Medical Staff Bylaws**

Courtney Leslie, TSC Administrator, reviewed the bylaws with Tahoe Forest Hospital District (TFHD) In-House Counsel, Matt Mushet, last week.

TFHD In-House Counsel recommended leaving Officers of the Medical Staff even though TSC does not currently have any at this time.

Harry Weis asked if the bylaws could be brought back at a subsequent meeting. Mr. Weis would like In-House Counsel to opine on changes.

No action was taken. Item will come to the next meeting.

**7.1.2. Medical Staff Rules and Regulations**

Board of Managers reviewed the proposed elimination of item F of the Pre-Anesthesia section of Medical Staff Rules and Regulations. The change aligns with the current practices of TSC.

An additional proposed change will allow the surgeon to depart and have the Physician Assistant close. The change brings TSC in line with current hospital practices.

**ACTION:** Motion made by Dr. Jeff Dodd, seconded by Crystal Betts, to approve the Truckee Surgery Center Medical Staff Rules and Regulations as presented. Roll call vote taken.

### **8. ITEMS FOR BOARD DISCUSSION**

#### **8.1. Financial Reports**

Truckee Surgery Center Board of Managers reviewed the following financial report:

##### **8.1.1. Q2 2020 Medbridge Report**

Mr. Weis noted the second quarter dropped due to COVID pandemic.

Crystal Betts inquired about the working relationship with Medbridge. Administrator is working with Medbridge on the balance of accounts over 180 days this week. There are a few bills that are in collections. Some bills were delayed due to delay of invoices from implant companies. Previously, surgeries were not being pre-authorized. TSC is doing much better now that surgeries are pre-authorized.

#### **8.2. Contracted Services Review**

Truckee Surgery Center Board of Managers conducted a semi-annual review of contracted services.

Aramark and EMCOR are currently not meeting expectations. Administrator is working with Aramark to improve quality of linens. The lack of available linen suppliers in the local area has been problematic. Mr. Weis asked for TFHD's Director of Support Services to be looped in. TFHD Facilities Department is working on the agreement with EMCOR. If EMCOR cannot meet the needs of the surgery center, a new vendor will be selected.

### **8.3. Facility/Equipment Update**

Truckee Surgery Center Board of Managers received an update on facility and equipment needs.

Both humidifiers failed which caused a flood into the sterile processing area and OR1. There was drywall damage to sterile processing which will be repaired later this week or early next week. TFH Facilities is working on the replacement of the humidifiers.

The boiler pumps also failed and are being repaired by EMCOR. Administrator is waiting to receive an update.

A pipe broke in the deionized water system. The repair will be completed by EMCOR and TFHD Facilities. Administrator is waiting to receive an update.

The age of equipment is contributing to need for constant repairs.

### **8.4. Staffing Update**

Truckee Surgery Center Board of Managers received an update on staffing. A Scrub Tech position is open. TSC is actively interviewing for the position and working on a per diem person. The Nurse Manager position is open and proving to be a very difficult position to fill. There are coverage issues for radiology.

## **9. ITEMS FOR NEXT MEETING**

The Truckee Surgery Center Bylaws will be reviewed.

## **10. ADJOURN**

**Meeting adjourned at 12:37 p.m.**
